Case No. 2:15-cv-00623-APG-GWF

ORDER

14 This matter is before the Court on Plaintiff's Motion to Increase Copywork (ECF No. 155),
15 filed on May 4, 2017.

16 Plaintiff requests a \$30 credit to "submit exhibits." However, Plaintiff does not advise the
17 Court to what document he wishes to submit exhibits to, either in this case or any other case he lists
18 in the caption of his motion. Therefore, the Court is unable to determine if there is good cause to
19 grant Plaintiff's request. Accordingly,

20 **IT IS HEREBY ORDERED** that Plaintiff's Motion to Increase Copywork (ECF No. 155)
21 is **denied** without prejudice. Plaintiff is advised that if he chooses to refile his motion, his request
22 should be specifically tailored to this case and should not be a general request made regarding every
23 case he has pending in this district.

24 DATED this 5th day of May, 2017.
